*Quality Products For Your RV Adventure*

2021

[www.shadepro.net](http://www.shadepro.net)

### THE NEW ECLIPSE XL

Tired of having an awning that provides little or no shade? Introducing the NEW Eclipse XL. Adds up to 20% more shade than standard awnings, over 9 ft. Our redesigned hardware with longer fabric allows the awning to unroll further providing more shade and with the fully adjustable Eclipse XL, you can lower the awning to provide maximum shade. Even pitch the awning to allow water to flow off one side. Perfect for RV's where the awning extends over the slide. If purchasing a complete awning with fabric and hardware the Eclipse XL comes in two fabric choices, Vinyl or acrylic with Metal Cover. Hardware available in White or Black.

See page 43–46 for fabric comparisons and color choices.

### UPGRADE FROM THE STANDARD 8 ft AWNING

### ↑UPGRADE

Have an existing Carefree awning and want more shade? Simply UPGRADE to the ECLIPSE XL, we replace your existing hardware with the Eclipse XL and add a longer extension fabric. We can use your existing roller tube and metal cover saving you money. All existing switches are compatible.

**FOR UP TO 20% MORE SHADE!**

# ECLIPSE

## OUR TOP OF THE LINE POWER AWNING FOR EASE & CONVENIENCE

The Eclipse awning has more features than any other 12v awning. The Superior design includes heavier aluminum extrusions, wider arms that provide a better look and a proven gear drive motor to help prevent blow offs. Simply push and hold the button inside the RV to extend or retract the awning. No more fighting an awning in the middle of the night when it's windy. The Eclipse stays secure no matter the pitch and with partial or full extension. It will not buckle or flop in light winds. The Eclipse hardware is fully adjustable to your desired pitch to provide maximum shade. Available in 2 fabrics and 3 finishes Satin, White or Black.

See page 43–46 for fabric comparisons and color choices.

## POPULAR ECLIPSE ACCESSORIES

### Direct Response Electronics

Add automatic wind retraction to protect your awning in windy conditions.

### Integrated 12V LED Light

LED lights provide security and are the perfect addition, adding clear bright lighting, to your awning. See page 31-32 for more details.

## FREEDOM BOX AWNING

The Freedom box awning is available in two styles, roof mount for vans and wall mount for sides of campers, Motorhomes and Toy Haulers. When extended, the support arms fold out of the lead rail for extra support and can be mounted against the RV sidewall or in the patio position and spiked to the ground. The support arms fold out of the lead bar once it's at eye level and within easy reach. These arms adjust easily with flip lock controls. To close, just fold the arms up into the lead rail and crank in the opposite direction—or push a button. The awning case closes and locks automatically. The 12V model includes a manual override if power is lost. Available in Vinyl or Acrylic fabrics and crank or 12v models.

### Full or Partial Extension

If you don't have the space to extend your Freedom awning out all the way, you can stop at any point, unfold the support arms and secure them to the ground or back to your camper. Available in white or black finishes.

Roof Mount Model

Wall Mount Model

### GREAT LOOKS AND PROVEN RELIABILITY

The Travel'r incorporates proven design features used on Carefree's popular 12v Eclipse at an economical price. It features integrated styling that helps the arms blend into the sidewall for great looks. The truss-support design provides superior strength and maximum head clearance for easy access to your patio area. Like the Eclipse, the Travel'r features effortless operation and peace-of-mind that the awning won't billow. Available in two models, Steep Pitch (fixed), Adjustable Pitch and two colors, White or Black.

### WHY GET AN ELECTRIC AWNING?

1. Easy to use—Any family member can operate an awning.
2. Electric awnings extend and retract in seconds. Push the button and the awning is set up in about 30 seconds! If a big storm comes, just push a button until the awning is fully retracted and safe—You don't have to wrestle the awning in the wind and rain to put it away!

See page 43–46 for fabric comparisons and color choices.

## POPULAR TRAVEL'R ACCESSORIES

### Direct Response Electronics

Add automatic wind retraction to protect your awning in windy conditions.

### Integrated 12V LED Light

LED lights provide security and are the perfect addition, adding clear bright lighting, to your awning. See page 31-32 for more details.

## UPGRADE YOUR CURRENT MANUAL OR ELECTRIC AWNING

Tired of the poor performance of your Dometic or Lippert electric awning? Upgrade to the Travel'r for proven reliability. **Set it and forget it pitch adjustment**, no need to readjust the pitch every time you roll out the awning. With the Travel'r Adjustable pitch hardware, set the pitch you desire for maximum shade. Every time you roll the awning out the pitch is automatically set.

Manual awnings are hard to operate, they are heavy and the springs can be dangerous. Many happy customers have commented they use their awnings more since upgrading to an electric awning.

We can UPGRADE your awning for a fraction of the cost of a new complete awning. We simply remove your manual arms and springs, then replace those with an Eclipse or Travel'r arm set. From there, we wire a switch to 12V power in your RV. Simply push a button and within seconds your awning rolls out or rolls in.

If your awning fabric is in good condition, you can save hundreds of dollars with a Carefree UPGRADE.

We can UPGRADE Carefree, Dometic and Lippert manual awnings.

### VINYL PATIO AWNING

Our Heavy Duty, multi-layer vinyl fabric looks better and lasts longer! We use 1000 denier scrim to help prevent tearing, double the strength of all other brands. All of our vinyl fabrics have a cold crack rating of -25 to prevent flaking and are mildew resistant.

The Fiesta awning is the easiest spring-loaded awning to operate on the market. No other awning can match the features of the Fiesta. The patented Remote Lock allows you to unlock the awning without a pull cane. It features simple, one-person operation. Available in 6 vinyl fabric choices and three hardware colors, White, Satin or Black.

See page 43–44 for fabric comparisons and color choices.

### POPULAR FIESTA ACCESSORIES

#### INTEGRATED 12V LED LIGHT

LED lights provide security and are the perfect addition. Available on Fiesta Vinyl and LTD. See page 31-32 for more details.

### ACRYLIC PATIO AWNING & ALUMA-SHIELD

When you want the BEST manual awning choose the The Fiesta LTD! Not only do you have the best manual awning on the market, this awning has the top of the line acrylic fabric and a metal shield. Acrylic fabrics are cooler underneath because the fabrics can breathe and the colors are woven into the fabric so they don't fade.

Choose our 9 stocking colors or over 140 custom colors to match any color scheme. Aluma-shield and arms are available in White, Satin or Black finishes.

[See page 46 for fabric comparisons and color choices.](#)

### GREAT FIESTA FEATURES

**SINGLE TRACK SLIDER** on the inside of the arm channels eliminates rafter binding during set-up and storage.

**STRONGEST HARDWARE ARM CHANNELS** for years of reliable performance.

**HEAVY-DUTY BRACKETS** are solid, rugged, and match the trim of most RVs.

### IN YOUR CHOICE OF TWO MODELS

#### STANDARD

Window awnings compliment the exterior of your RV while cooling the interior with natural shade and providing privacy. Window Awnings are easy to operate by simply pulling the strap with the patio awning pull cane and attaching the strap to the awning hold down.

#### Sizes available from:

3ft to 13ft in 6" increments

See page 43–44 for fabric comparisons and color choices.

#### XL

Extra shade for large windows!

If your window is more than 34" tall, you'll need the extra shade of XL Window Awnings. The larger XL Window Awnings have all the features of the standard size window awning model, but have a 45" extension when unrolled, about 50% bigger.

#### Sizes available from:

3ft to 13ft in 6" increments

**ACRYLIC**

**FULLVIEW**

ShadePro offers top of the line RV window awnings. Window awnings provide shade and privacy while reducing your energy costs. Our wide range of fabric choices and hardware colors are designed to compliment even our competitor's awnings.

## **YOUR CHOICE OF 2 TYPES OF RUGGED, BEAUTIFUL FABRICS**

**ACRYLIC W/METAL COVER** A beautiful match to any acrylic fabric patio awning! Available in standard or custom fabrics.

**FULLVIEW W/METAL COVER** see-through Window Awnings keep RV interiors cooler, brighter and lighter, and you keep your view!

[See page 46 for fabric comparisons and color choices.](#)

### **SIDEOUT COVER**

The SlideOut Cover extends and retracts automatically with the slide. Our hemmed canopies keep the edges from tearing or delaminating. Accommodates room extensions up to 42 inches. Available to fit slideouts from 59 inches to 194 inches. The deflector is available in white and black finishes. The SlideOut Cover installs into an awning rail mounted just above your slideout. A special spring loaded roller mounts to the slideout itself. When your slideout moves, your SlideOut Cover unrolls automatically. Available in white or black finishes.

The SlideOut Cover has a built-in wind deflector to prevent billowing. No additional anti-billow device to install or re-adjust!

***Tip: Under certain conditions, water may pool on top of any brand of slideout cover when extended. Retracting the slide in steps (stop and go) allows the water to run off and the roller to take up the canopy.***

### ENHANCE THE LOOK OF YOUR RV WITH ACRYLIC FABRIC

Acrylic fabrics do not rot, mildew, or deteriorate. Acrylic fibers are very strong which make them extremely durable. Acrylic fabric is also a breathable material, so air can circulate through the fabric and the moisture isn't trapped. Available in 9 standard colors or 140 special order colors to match any color scheme.

[See page 46 for fabric comparisons and color choices.](#)

Choice of White or Black Hardware.

## OPERATES AUTOMATICALLY WITH YOUR SLIDEOUT

The Side Out Kover III extends and retracts automatically with the slide. Our hemmed canopies keep the edges from tearing or delaminating. Accommodates room extensions up to 42 inches. Fit slide outs from 59 inches to 194 inches. The Side Out Kover III installs into an awning rail mounted just above your slide out. A special spring-loaded roller mounts to the slide out itself. When your slide out moves, your Side Out Kover III unrolls automatically.

Available in Vinyl or Acrylic fabrics with White, Satin or Black finishes.

**TIP: Under certain conditions, water may pool on top of any brand of slide out cover when extended. Retracting the slide in steps (stop and go) allows the water to run off and the roller to take up the canopy. Deflector and case prevent any billowing of fabric while traveling.**

**Black Deflector**

**White Deflector**

## SOK III W/FULL CASE

The Side out Kover III is also available with a full case. This allows your roller tube and fabric to be protected from the elements while your slide is in the closed position. The sleek case was designed to better match the SL window awnings and Marquee Over the door awning.

Available in Vinyl or Acrylic fabrics with White, Satin or Black finishes.

[See page 46 for fabric comparisons and color choices.](#)

**Black Full Case**

**White Full Case**

# ASCENT SIDEOUT KOVER

## ASCENT SIDEOUT KOVER

The Ascent is the newest innovative slide awning addition to the Carefree line with many added features and benefits.

- **Performance:** Improved pitch provides the industry's best rain run off; the Ascent is the only slide awning that WILL NOT collect water!
- **Style:** Blends smoothly with the coach wall, the Ascent matches all other Carefree styled products for a uniform look throughout the RV.
- **Quality:** Fast and accurate installation. All mounting hardware concealed for a clean finished look.
- **Value:** The Ascent room mounted roller helps protect the value of your investment by drawing debris away from your coach! Available in standard and extra long (XL) models.
- **Removable hinged cover** feature means easy access for cleaning and service. Invented by and exclusive to Carefree of Colorado.
- **Hardware colors** include white and black.
- **Available in two fabrics:** Acrylic and vinyl.
- **Perfect for Full Wall Slides!**

See page 46 for fabric comparisons and color choices.

# OVER THE DOOR

## **MARQUEE 12V OVER THE DOOR**

Marquee is designed to match other Carefree awnings for an elegant, streamlined look. The door model extends at a level pitch for maximum door clearance. The 12V model allows simple, worry free operation by simply pushing a button. Your choice of black or white case. Available in two fabrics: Acrylic and Vinyl.

[See page 46 for fabric comparisons and color choices.](#)

## **FREEDOM MANUAL OVER THE DOOR**

Carefree's Freedom Over the Door box awning is a manual crank out model. Simply crank out the awning with easy to use handle, included with awning system. Allows you to have the same streamlined look at the fraction of the cost of the 12V model. Your choice of black or white case. Available in two fabrics: Acrylic and Vinyl.

[See page 46 for fabric comparisons and color choices.](#)

## HEAVY DUTY VINYL PATIO AWNING REPLACEMENT FABRICS

We currently offer two Vinyl replacement fabrics, our premium weight is heavier than your original fabric and our heavy duty fabric is hard to beat. We back both fabrics with one of the best warranties in the industry.

**Heavy Duty**—Our 15.5 ounce heavy duty vinyl fabric is one of the toughest on the market. The rich color of our stripes bring an upgraded look to your RV. Printed on both sides, bringing out the colors while enjoying the shade under your awning. Scalloped valance with black trim to provide an upgraded look. Our one piece design fits Carefree, Dometic, and Lippert roll out awnings or our two piece design fits Carter and Faulkner awnings.

- Weatherguard color available in white or black
- Fits awnings 8' to 25' in length
- 5 Year warranty
- 1000 denier scrim that helps prevent tearing
- Cold crack resistant to -25

See [page 43](#) for fabric comparisons and color choices.

**HOW TO ORDER:** Measure your awning center of arm to center of arm to determine the length. Order that size **NOT** the existing fabric width.

**White Weatherguard**

**Black Weatherguard**

## PREMIUM GRADE VINYL

### PATIO AWNING REPLACEMENT FABRICS

Our Premium grade 13.5 ounce vinyl is printed on one side which is comparable to the fabric that came with your awning. Our one piece design fits Carefree, Dometic, and Lippert roll out awnings or our two piece fits Carter and Faulkner awnings. Straight valance to match most original designs.

- Weatherguard color available in white only
- Fits awnings 8' to 21' in length
- 3 Year warranty
- 1000 denier scrim that helps prevent tearing
- Cold crack resistant to -25

**HOW TO ORDER:** *Measure your awning center of arm to center of arm to determine the length. Order that size not the existing fabric width.*

\*Visit our website for warranty details.

See page 43 for fabric comparisons and color choices.

### 12v LED LIGHT

LED lights provide security and are the perfect addition. See page 31-32 for more details.

## ACRYLIC

### PATIO REPLACEMENT FABRIC WITH ALUMA-SHIELD

**Upgrade** your existing vinyl awning to a beautiful, rugged acrylic fabric with Aluma-shield. Fits Carefree, Dometic, and Lippert vinyl awnings. With a new genuine ShadePro acrylic fabric, you'll enjoy cooler temperatures under your awning because acrylic breathes and will never mildew like vinyl awnings. The rugged Aluma-shield protects the canopy from the sun and campground scrapes. We use only the finest acrylic fabrics available to provide an exact color match. All of our acrylic fabrics are sewn with PTFE thread. Choose from our 9 standard or 140 custom colors.

### ALREADY HAVE AN EXISTING METAL COVER?

#### **Upgrade to a acrylic fabric.**

Replace your existing awning with a genuine ShadePro acrylic replacement fabric. Our 1-piece replacement fabric slides into both the aluminum cover and the roller tube. Available in sizes 10' to 21'. We use only the finest acrylic fabrics available to provide an exact color match. All of our acrylic fabrics are sewn with PTFE thread. Choose from our 9 standard or 140 custom colors. Fabrics fit Carefree, Dometic, Lippert and Zip-Dee awnings with existing metal covers.

[See page 46 for fabric comparisons and color choices.](#)

# FABRICS

## MIRAGE/GIRARD ACRYLIC

With the top of the line awning, wouldn't you want a top of the line fabric? Why settle for second best? We use only the finest acrylic fabrics available to provide an exact color match. All of our fabrics are sewn with PTFE thread. Choose from our 9 standard colors or choose from 140 custom colors.

Vinyl

Acrylic

FullView

## WINDOW AWNINGS

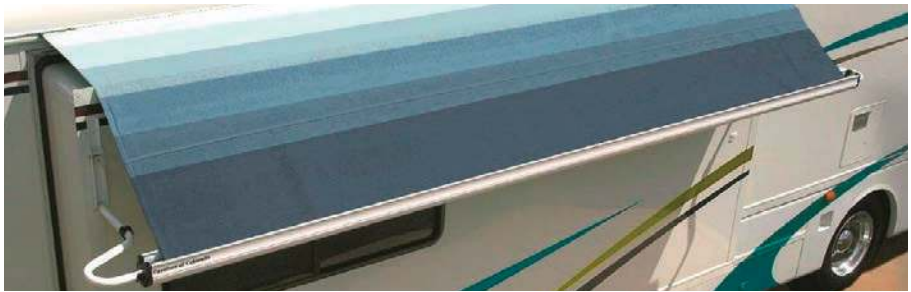

Select from see-through Full View, durable vinyl, or beautiful acrylic fabrics in a wide array of colors and patterns that are sure to match or complement any patio awning.

See page 43–46 for fabric comparisons and color choices..

## OVER THE DOOR

We have fabrics for most over the door awnings and can match most existing patio awnings with our acrylic fabrics. All of our acrylic fabrics are sewn with PTFE thread to provide years of trouble-free use.

See page 46 for fabric comparisons and color choices.

## OMEGA VINYL

The replacement fabric fits Carefree's Omega, the combination slide cover and window awning. Like the original, the replacement canopies are available in your choice of vinyl stripes or fullview.

See page 43 for fabric comparisons and color choices.

## SLIDEOUT COVERS ACRYLIC

**REPLACEMENT FOR CAREFREE, DOMETIC, LIPPERT, GIRARD, AND ZIP DEE**

Acrylic fabrics do not rot, mildew, or deteriorate. Acrylic fibers are very strong which make them extremely durable. Acrylic fabric is also a breathable material, so air can circulate through the fabric and the moisture isn't trapped. Available in 9 standard colors or 140 special order colors to match any color scheme.

See page 46 for fabric comparisons and color choices.

## SLIDEOUT COVERS VINYL

**REPLACEMENT FOR CAREFREE, DOMETIC, AND LIPPERT**

ShadePro's slideout cover replacement is made of strong 16 ounce vinyl fabric, which helps reduce water pooling. Our welded seams prevent leaks and tears from needle holes. Choice of white, black, and grey color.

## OMEGA ACRYLIC

The replacement fabric fits Carefree's Omega, the combination slide cover and window awning. Available in our 9 standard colors or choose from 140 custom colors. All acrylic fabrics are sewn with PTFE thread.

See page 46 for fabric comparisons and color choices.

## SHADE THE AREA UNDER YOUR MANUAL AWNING

Our open-weave fabric cuts almost 85% of the light to help keep you cool and comfortable. Provides privacy without blocking your view, perfect as a wind block too. Our unique vinyl coated polyester fabric will provide years of use. Simple and easy to use! Simply slide the Vista Shade into the pull strap slot of your awning. Spikes and tie downs included.

### Available Lengths:

10ft., 13ft., 15ft., 17ft., and 19ft.

### Available Drops:

6ft. and 7ft.

### Ordering Instructions:

1. Measure the awning fabric width.
2. Choose a length above that is the same size or smaller than fabric.
3. Unroll awning and measure from the awning roller tube to the ground.  
Choose the drop desired.

### THE ONLY RV AWNING SHADE MADE SPECIFICALLY FOR 12V RV AWNINGS

Our open-weave fabric cuts almost 85% of the light to help keep you cool and comfortable. Provides privacy without blocking your view, perfect as a wind block too. Our unique vinyl coated polyester fabric will provide years of use. ShadePro's Electric awning ShadeDrop fits the new scissor-arm truss style awnings like the Carefree, Dometic, and Lippert. It features the same weather resistant open-weave fabric as the standard Vista Shade. Grommets and ground stakes included.

#### Available Lengths:

10ft., 13ft., 15ft., 17ft., and 19ft.

#### Available Drops:

6ft., 7ft., 8ft., 9ft., 10ft., and 11ft.

#### Ordering Instructions:

1. Measure the awning fabric width.
2. Choose a length above that is the same size or smaller than fabric.
3. Unroll awning and measure from the awning roller tube to the ground.  
Choose the drop desired.
4. Your awning must have an open accessory slot to accommodate the shade.

**Note:** *The height of the insert (above the zipper) is determined by the height of the Vista Shade ordered. The body of the shade (below the zipper) is always 6' tall. If you order an 8' tall shade the insert is 2' with a 6' body.*

Brown

Tan

Grey

## VISTA SIDE SHADE WITH QUICK RELEASE

The Vista Side Shade is made of the same solar screen used in all of our awning shades. Fully adjustable to fit most pitches. It attaches to your awning easily from the ground. No ladders needed! Each panel comes with two sets of brackets so the panel can be mounted at either end of the awning. Works on Manual and 12V Power Awnings.

### **Available Heights:**

6', 7', 8', 9', 10' and 11'

**Note:** *This measurement is from the roller tube to the ground. This universal wedge accommodates flat or steep pitch awnings.*

## SHADE DROP

The Vista Shade Drop is a permanent shade that simply slides into the awning. Perfect for watching your outside TV to help eliminate glare or having additional shade for flat awnings.

- Available in any size 10' to 20' wide and drops of 2' to 4' tall
- Available in Black only
- This shade was specifically designed to stay in electric awning systems at all times

**How to measure:** *Measure the width of the awning fabric and order appropriate size.*

## **ECONOMICALLY PRICED, ENJOY THE OUTDOORS AND STAY BUG FREE**

The Limited Room turns your awning into a spacious private room. Roll up the privacy panels for fresh air, roll them down for complete privacy. Great for extra storage. It's completely reversible—The privacy panels can be set up on the inside for convenience or outside for the best rain protection.

**Sturdy side panel support** rafters with brackets provide a better, stronger seal because the room doesn't attach to the awning canopy. No flimsy crutch tips to damage your coach!

**The Limited Room** has all the features of other rooms PLUS a more durable vinyl fabric, zippered privacy panels for a better seal, heavy-duty zippers, and Universal Side Panels with twist fasteners.

**Includes 35" tall skirting** with sliding eyelets for flexibility in attachment points. Available in white.

**Fits full size manual roll-up awnings** such as Carefree, Spirit, Fiesta, and Simplicity; or Dometic, Carter & Faulkner, Lippert awnings. Includes storage bag.

**Warranty:** "One Year Limited"—One year 100% parts, labor & freight on all components.

## FINALLY A ROOM THAT FITS!

**Made to your measurements.**

### DESIGNED FOR 12V ELECTRIC AND MANUAL AWNINGS

Our newest room is made of durable lightweight marine fabric that will provide years of outdoor enjoyment. Our sewn in privacy panels provide excellent protection from the wind and rain. The Villa Enclosure is completely reversible and can be setup with the privacy panels on the inside or outside depending on weather conditions.

Snapless side panels included to eliminate extra holes in your coach. Beautiful Charcoal fabric with Tan privacy panels will complement most new color schemes. The room has a removable door that can be set up at either end of the front panel for rear entry coaches.

Fits Carefree Eclipse, Travel'r, Dometic Weatherpro, 9100 series, Lippert Solera, and manual roll out awnings.

### FEATURES

- Available to fit awnings measuring 10' to 21' long in one foot increments
- Heavy-duty charcoal screen, and premium marine type zippers
- Reinforced grommets with webbing
- Nickel plated twist fasteners if needed
- Sturdy side panel support rafter with brackets provides a better, stronger seal to the coach
- Includes coach skirting with sliding eyelets for flexible attachment to coach
- Includes two storage bags

# DASH COVER

## THE FINEST MOTORHOME DASH COVER MADE

Protect your dash from the damaging sun rays. Reduces night time glare. Our covers are custom designed to fit your specific year, make, and model motorhome.

### UNIQUE NON-SLIP BACKING...NO FASTENERS OR ADHESIVES!

Don't let the sun destroy your dash. Our exclusive non-slip backing holds the cover securely in place. Pets won't slide.

Available in luxurious velour fabric that's easy to clean and pet hair vacuums right up.

**Note:** Some plastic molded dashes may discolor temporarily. Remove the cover for several weeks and color will come back.

### Velour Fabric Choices:

Black

Grey

Tan

### Truck/Van Covers also available!

*\*For coaches that do not have a molded dash and defroster vents are attached with screws, we provide a separate cover for the defroster. When vents are attached with screws, the vents will never be the same on two identical coaches. The separate defroster cover allows for that variance. Please note, because the top photo is a molded dash the defroster vents on that coach never change.*

## 5TH WHEEL SKIRT

### ADD VALUABLE STORAGE SPACE

**Add up to** an additional 64 square feet of storage space to your 5th wheel. Attaches with common sense twist fasteners. Roll-up door on both sides for easy access.

Available in 7 sizes: 18' to 24'. 18 oz. vinyl fabric. Choice of white or black. One year warranty.

## CARGO ADD-A-WALL

Mounts inside the opening of the cargo bay door to provide a sealed screen wall or a privacy wall. Enjoy your privacy without raising the ramp when the panels are rolled down, or leave the panels up, enjoy the breeze and keep bugs out. Roll the Add-A-Wall up for easy access to the cargo area of the S.U.T. Available in white and black vinyl with dark screening.

### Standard size:

Fits opening 69" to 79"h by 92" to 96"w

### XL size:

Fits opening 78" to 98"h by 93" to 98"w

## STEP COVER

### PROTECT YOUR INTERIOR FROM DIRT AND GRIME

Our durable, weather-resistant mat is made of easy-to-clean vinyl coated polyester with rubber backing. The unique design traps more dirt than other brands. Fits steps up to 24" wide. Easy to install, simply measure the width and depth of your step, trim the step cover to the desired size. Available in Grey, Brown, and Blue.

# LED LIGHTS

## LED LIGHTS

Brighten up your campsite with ShadePro LED lighting. Our weatherproof lighting provides enough light to play board games with the family or provide security keeping your awning well lit. Two models available, our integrated model can be added when you buy a complete awning or replacement fabric as we sew the light into the awning fabric.

Our aftermarket LED system has a 45 degree track that secures to the side of your RV with 3M adhesive tape. The perfect addition when not buying a complete awning. Works on slideouts too! Track comes in 4' sections with alignment guides, once attached to the RV simply slide the light into the track. Available in 2 sizes – 16.4' and 19.7'. Both sizes can be cut to desired length. Switch and Dimmer included.

# DIRECT RESPONSE

## **Direct Response Electronics**

Automatically retracts your awning when canopy movement exceeds the predetermined threshold, protecting your awning when you're not around. Wind and weather movement is the single biggest cause of damage to RV awnings. Direct Response can help protect your awning—even when you're away. Compatible with Eclipse and Travel'r awnings.

## SLIDERS

### SIMPLE SLIDER WHEEL WELL COVERS

Easily slip on and slip off

- No Holes, no bungee cords.
- Heavy duty marine grade vinyl or 94% mesh to provide years of use.
- Simply attach the self adhesive track to the wheel well and slide in the cover.
- Available for most “Class A” motorhomes.

# COVERS

## SLIP-ON TIRE COVERS

### PROTECT YOUR TIRES FROM THE HARSH SUN

Protect your tires from the sun! The slip-on tire covers have sewn in elastic to stay covered securely over the tire, keeping it from being damaged by the sun. Each set of 2 tire covers are available in seven sizes and white in color.

### Available in Four Colors:

Black

Grey

Brown

Tan

## TIRE SHADES

Made from heavy duty solar fabric that blocks up to 94% of the UV rays that can damage your tires. Our unique fabric will not mildew and keeps your tires cooler than solid slip on vinyls. Quick and easy set-up, no crawling in wheel wells or on your knees for long periods of time. Nickel plated or Black plated common sense twist fasteners hold covers securely in place.

Adjustable height pockets at the bottom allows for a great fit even if your coach is on jacks.

# WINDSHIELD AND

## SHADE YOUR COACH WHILE ENJOYING A FULL VIEW OF THE OUTDOORS

Enjoy a shaded, cool, more comfortable environment—and lower the inside temperature up to 20 degrees. Over 1800 patterns provide a custom-made fit for your year, make, and model coach. Includes Windshield Cover, driver and passenger side Window Covers, Wiper Blade Covers and storage bag.

## BLOCKS APPROXIMATELY 94% OF THE SUN'S HEAT & GLARE

Windshield Covers are constructed from the highest quality, dense weave double vinyl-coated polyester cord fabric. The unique fabric provides complete privacy during the day. Window and Windshield Covers are available in 4 beautiful colors.

Twistlock Fasteners keep covers securely in place.

## PROVIDES DAYTIME PRIVACY. YOU CAN SEE OUT, BUT NO ONE CAN SEE IN.

During the night, you may need to draw the drapes to provide complete privacy and prevent light from entering the coach.

# WINDOW COVERS

## WINDOW COVERS

Lower the inside temperature of your RV with custom made window covers. Perfect to protect the interior from the sun's ultra violet rays when in storage. Can be mounted under ladders where Window Awnings or SunShades cannot. Installs easily with twist fasteners and stainless steel screws.

## VAN WINDSHIELD COVER

Our one piece design is held securely in place with magnets, eliminating the need to drill holes in the body of your RV. Security flaps are sewn in at each door allowing you to fold them in before closing the door and locking it. This prevents removal unless the door is opened.

Available in 4 solar screen colors.

### Available Colors:

Black

Brown

Tan

Grey

## MIRROR SOCKS

### PROTECT AND ENHANCE YOUR RV

**Protect your mirrors** from water spots, fading, and rusting. Available in two sizes: 24" for tall mirrors and 18" for standard height mirrors. Available in black only.

## **BLOCK OUT PROVIDES COMPLETE PRIVACY**

Upgrade your string breaking Day night Shades to the comfort and convenience of the Legacy Roller Shades by ShadePro. Our 95% solar sunscreen provides privacy during the day and keeps your RV cool. When you unroll the night shade our durable block out provides complete privacy. Our bottom grip bars are fully covered to eliminate rattling during travel or windy days.

## **SPECIFICATIONS**

Daytime fabric available in black providing the best visibility. Nighttime blackout available in light khaki, black, dove grey, and Sandstone. Available in 24" to 80" in one inch increments. There are three drops available. Our standard starts at 33", Medium has a 45", and the XL model has a 60" drop. The size ordered includes all brackets, fabric which is 1/2" less than overall length.

## **TWO SYSTEMS AVAILABLE**

### **Combo roller**

Our most popular includes our day sunscreen roller and our night block out roller.

### **Single roller**

## Night

Drop the night shade for complete privacy and to reduce light inside.

## HEAVY-DUTY VINYL FABRIC

ShadePro's Top of the Line Stripe collection has even more colors and weathguard options than most competitors.

These rugged **15 oz. 3-ply** 1000 denier vinyl fabrics are stronger than the original equipment fabrics and are cold crack and mildew resistant. Expect to pay a lot more for this quality! These fabrics are printed on both sides to provide a nicer look under the awning when extended. Scalloped valances with black trim show our commitment to quality.

Our universal 1-piece fabrics are designed to fit Carefree, Dometic, and Lippert Awnings, and easier to install because we sew both polycords into the fabric, no extra tools to buy! For Carter and Faulkner awnings we still offer the 2-piece design with the proper cords sewn in.

## STRIPES

Heavy Duty Weathguard available in White or Black

*\*See inset below for black weathguard*

## PREMIUM GRADE VINYL FABRIC

ShadePro's beautiful Fade collection is the right choice to match any color scheme. These rugged **13.5 oz 3-ply** 1000 denier vinyl fabrics are stronger than the original equipment fabrics and are cold crack and mildew resistant. The Fade pattern is printed on the top side only, the underside is a cool white. Straight valances match your original fabric.

Our universal 1-piece fabrics are designed to fit Carefree, Dometic, and Lippert awnings and are easier to install because both cords are sewn into the fabric, no extra tools to buy! For Carter and Faulkner awnings we still offer the 2-piece design with the proper cords sewn in.

Reverse Charcoal Fade

Solid White

## ACRYLIC

When you want the best awning fabric you'll want acrylic. These fabrics are water resistant, cooler underneath them because the fabric breathes and they will never mildew.

All of the color is woven into the fabric not printed, they won't fade and they look new for years.

Our stock colors are ordered wide enough that there is no need for a middle seam that could leak or the threads that could rot over time. All of our acrylic fabrics are sewn with PTFE thread that has high strength and durability, has been proven to be unaffected by exposure to UV rays, cleaning agents, pollution, saltwater, air, rain and snow.

Scalloped valances with black trim show our commitment to quality.

We also have over 140 custom colors to choose from for an additional charge.

## STANDARD ACRYLIC COLORS

**5 YEAR  
WARRANTY!**

# THE INDUSTRY LEADER

## WE ARE THE EXPERTS AT PROVIDING & INSTALLING SUN & SHADE CONTROL PRODUCTS

ShadePro's mobile installation trucks service all of Southern California and Western Arizona. Our experienced installers, many with us for more than 25 years, come directly to your door or campsite, saving you time and money!

Our centrally-located distribution centers allow us to provide a broader range of products, and service you faster, in days rather than weeks. We also attend most national rallies, bringing our full line of products and services to you.

With the best buying power in the industry, you are assured the lowest price anywhere. ShadePro provides the highest quality products, only from the best manufacturers. All of our products must meet our stringent review process, so that when your expert installation is complete, you'll know you have purchased the best product and best value available.

WHEN IT COMES TO REST AND RECREATION, RELAX. WITH SHADEPRO,  
YOU'VE GOT IT MADE IN THE SHADE.  
WE COME TO YOU.
